

PROFILING YOUR SKILLS

- How often do you write in English for academic purposes?
- Which aspects of academic writing in English are you confident and under-confident about?
- How do you hope to develop your writing skills during this course?
- <https://edu.flinga.fi/s/E6WZZ2B>
- **How can you tell if you are developing as a writer?**

THE WRITING PROCESS

- In your group, focus on the second (lower) example of the writing process
- Are the components in the writing process in the order that you would usually follow them?
- Are there any missing steps?
- Does writing in English instead of your mother tongue affect the writing process in any way?
- What lessons can we learn by considering as a writing process in this way?
